

Kid's Club Summer Activities

There will be a combined pre-k and elementary class for July and August and the format of the class will be changing. Instead of our usual lessons, we would like to incorporate recreational activities and time for fellowship into each class (see list below).

Each class will have a short (10 min) devotion/ bible lesson, then the scheduled activity (20 min), and the class will end with 15 mins of recreation time. Recreation time will consist of free time in the parking lot for outside play (jump rope, dodge ball, chalk, hula hoop etc.). Please have your child signed in by 6:45 pm and feel free to bring a friend! If you have any questions, please contact Julie Hixon at jhixon1@myactv.net or 301-797-0057.

Date	Activity
7/1	Teacher's Choice
